Pursuant to the Federal Act on Data Protection ("FADP"), we provide you with the necessary information regarding the processing of personal data collected during your experience on our site [www.aurofin.ch](http://www.aurofin.ch).

### 1. CATEGORIES OF PERSONAL DATA SUBJECT TO PROCESSING | DEFINITIONS

Personal data provided by you – or otherwise acquired in accordance with applicable legal and contractual provisions – inherent in, connected with and/or instrumental to the evaluation of your experience on our site, will be processed in accordance with the privacy legislation and confidentiality obligations applicable to you.

**Personal data:** all information relating to an identified or identifiable person.

In particular, we will process the following personal data:

- browsing data (for more information on the data collected with Cookies, please read the Cookie Policy which can be found here: [COOKIE POLICY](#)).

Please note that the computer systems used to operate this site acquire, during their normal operation, some personal data whose transmission is implicit in the use of Internet communication protocols. This category of data includes the IP addresses or domain names of the computers and terminals used by users, the URI/URL (Uniform Resource Identifier/Locator) notation addresses of the resources requested, the time of the request, the method used to submit the request to the server, the size of the file obtained in response, the numerical code indicating the status of the response given by the server (successful, error, etc.) and other parameters relating to the user's operating system and IT environment.

**Data subjects:** natural persons whose data is processed.

**Processing:** any operation concerning personal data, regardless of the means and procedures adopted, and in particular the collection, storage, use, revision, communication, archiving or destruction of data.

**Communication:** the act of making personal data accessible, for example by authorisation of consultation, transmission or disclosure.
